This originally filed Declaration & Power of Attorney was signed by both inventors, Neil James Butt and Christopher Peter Jones.

In the Office Action mailed July 26, 2004, the Examiner acknowledged the priority claim for the above-referenced case, but requested the filing of a supplemental oath or declaration. A Supplemental Declaration & Power of Attorney, which was signed by inventor Neil James Butt, was mailed on January 26, 2005.

This is a petition under 37 C.F.R. §1.47(a) to accept the Supplemental Declaration executed by inventor Neil James Butt on behalf of him and the non-signing inventor, Christopher Peter Jones, in order to avoid prejudice to the Assignee.

The pertinent facts establishing the failure of inventor Christopher Peter Jones to sign the Supplemental Declaration is set forth in the accompanying supporting Statement of Facts Regarding Inventor's Refusal to Sign Supplemental Declaration (the "Statement"). Based on the facts set forth in the supporting Statement, it has been concluded that Christopher Peter Jones has refused to sign the Supplemental Declaration, and relief under 37 C.F.R. §1.47(a) is hereby requested.

The Examiner is hereby authorized to charge the petition fee of \$200.00 to our deposit account no. 04-1105. Although it is not believed that any additional fee (in addition to the petition fee concurrently submitted) is required to consider this submission, the Commissioner is hereby authorized to charge our deposit account no. 04-1105 should any fee be deemed necessary.

Respectfully submitted,

Kathryn A. Piffat, Ph.D. (Reg. No. 34,901)
